## The Society of St. Columban

is an organization working in fifteen countries with a special commitment to Asia and Latin America. The primary aim of the Columbans is inculturation of the Gospel in Cross Cultural environments. They engage in Reconciliation, Dialogue and building relationships between peoples of different faiths, cultures and ideologies.

Columban missionary work of evangelisation includes outreach to poor and marginalized peoples, building bridges between faiths and cultures and supporting emerging local churches. At the heart of their work is the call to help people become fully human, to help establish a world of peace with justice and care for the integrity of creation in solidarity with the poor. The appeal will be conducted by Fr. Gerry Markey SSC who has worked on Mission around the globe in the Philippines, on the Mexican border in Ciudad Juarez and latterly in Chile.
