To Young People

Behold my servant, whom I uphold.

The Father, who sustained Jesus in his
Passion also supports us in our efforts
to serve. Loving, praying, forgiving,
caring for others, in the family and in
society: all this can certainly be
difficult. It can feel like a *via crucis*. But
the path of service is the victorious
and life giving path by which we were
saved. I would like to say this
especially to young people,
Dear friends, look at the *real*
heroes who come to light in these days
(of pandemic): they are not famous,
rich and successful people; rather,
they are those who are giving
themselves in order to serve others.
Feel called yourselves to put your lives
on the line. Do not be afraid to devote
your life to God and to others; it pays!
For life is a gift we receive only when
we give ourselves away, and our
deepest joy comes from saying yes to
love, without ifs and buts. To say yes
to love truly, without ifs and buts.
As Jesus did for us.
