SECOND SUNDAY OF CHRISTMAS

Message from St Peter's - 2021

The painful events that marked humanity's journey last year, especially the pandemic, taught us how much it is necessary to take an interest in others' problems and to share their concerns. This attitude represents the path that leads to peace, because it fosters the construction of a society founded on fraternal relationships. Each of us, men and women of this time, is called to make peace. Life today is governed by war, by enmity, by many things that are destructive. We want peace. It is a gift..I wish you all a year of peace, a year of hope, with the protection of Mary, the Holy Mother of God..... don't forget to pray for me.
