St Joseph's Property Development Scheme

It seems a long time since November
2019 when as a parish we agreed to
move forward to a development of our
property to work towards a wiser use of
our resources for the future. Much has
gone on however and now we are in a
position to put out to tender our chosen
scheme of a new Presbytery and a
housing development on the car park
site; a restoration of the Centre; and
designated church carpark on the present
Presbytery site. We look forward to the
fruition of these plans with the Lord's
help. Fr Peter
